May I start this message by saying how wonderful it is to be in contact with you all after what seems a lifetime of being away. I sincerely hope you have coped with everything this dreadful 18 months has thrown at you. It hasn't been easy for any of us. However, we are back and if the virus and the PM allow us, we are back with a vengeance, with a bigger, better and more varied programme than ever before – after all, we've got some catching up to do!

Lots of things have happened in the enforced closure, and it pleases me to say that during that time work in the background has been really busy. The primary concern has been, of course, to ensure that the theatre has been rendered as safe as we can possibly make it for when our loyal patrons return and we have subscribed to the "SEE IT SAFELY" movement to ensure that we make every area as safe as possible for patrons, staff and all visitors.

We have upped the pace on programme selection, including a much more varied choice of events, and topping that we are absolutely enthralled to announce that soon we shall be running a regular cinema programme for all, showing the whole spectrum of cinema brilliance. The equipment is being installed as I furiously type, and all eyes are on the route from Italy from whence our new, specialist screen is to be despatched.

And for those who enjoy participation, watch out for a series of new theatre workshop classes in acting technique, movement/dance and voice to start with, all hopefully leading to a bigger and broader group project/performance in the future.

So you see, things are getting back to normal, but as we are to be bigger and more appealing than ever before we are going to need more volunteers to help keep us going. Do contact us if you have any interest in any of these things and we'll contact you as soon as possible.

I sincerely hope we have turned the corner at long last and that we are on our way, not just as a theatre, but as a nation and that the future has as much to offer as it ever had.

As always, I look forward to welcoming you back to The Phoenix Theatre.
