Dear friends,

Sitting in the murky evening light, not sure whether it is October or November, and realising that it is actually only August, I am really glad that I can welcome you to our latest programme in the hope that it includes something to help bring that summer feeling into your lives, in spite of the weather.

Again we have worked tirelessly to maintain our traditions of old and new, serious and light in compiling the programme and I feel confident that there is something in there to suit just about every taste.

I won't highlight any as I don't want to spoil your enjoyment of looking through the following pages and finding something just for you, whether it be MainStage, Studio or our wonderful Cinema offering.

As usual I look forward to welcoming you here, and hope you find something you really enjoy. Thank you for your continuing support

Volunteer with us

The logo for the Phoenix Theatre, featuring a stylized red phoenix bird with its wings spread, positioned behind the word 'with' in the main title.

The Phoenix Theatre relies upon our enthusiastic and hard-working team of volunteers for a variety of roles as they are the lifeblood of the organisation.

Volunteers are our biggest asset, particularly when carrying out front of house duties such as ticket checking; programme and ice cream selling; serving drinks etc. You are the front line as far as the audience experience is concerned and their enjoyment will depend, in part, on how they are dealt with by you.

If you prefer, there are other roles behind the scenes associated with show production such as costumes, set building, lighting and sound. If you have a particular skill that you feel would be useful speak to one of the team on your next visit.

For more information on volunteering with us, speak to one of the team or email us admin@thephoenixtheatre.org.uk
